

Customer Service and Feedback Service Standards

View our Service Standards for Customer Service and Feedback and how we will ensure these standards are met.

The Customer Access Service will

-  Answer 95% of telephone calls to our One Number Team at **0161 217 6016**.
-  Reply to webchats within five minutes.
-  Reply to complaints in writing within ten working days.
-  Acknowledge your enquiry within five minutes of your arrival at reception at Cornerstone.

We will ensure these standards are met through

-  Monitoring response times for telephone calls and webchats.
-  Recording and monitoring timescales for responding to complaints.
-  Monitoring your satisfaction with response times at Cornerstone reception through a satisfaction survey.
-  Offering a satisfaction survey at the end of each telephone call to the One Number Team.
-  Tracking the information we collect in the Tenant Satisfaction Measure (TSM) scores for the question: 'Your landlord treats you fairly and with respect'.

These service standards were reviewed using customer feedback during the Customer Charter Consultation in 2023.
