

Your views on Furnished Tenancies

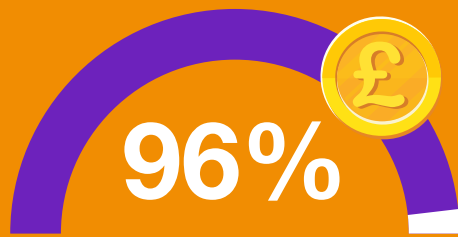

Thank you for completing our questionnaire about finding out what is important to you as a furnished tenant.

79%
of you said
3 – 5 days delivery
time would be
acceptable

77%
said it was important
to use a supplier with
links to Stockport that
employs local people

96%
said that it is
important that the
service charge is
good value for money

98%
said that it is
important that the
goods provided are
of a good quality

You said that the most important things for the delivery and office staff is that they are courteous, polite, communicate clearly and always show ID at your property.

We are currently looking at different suppliers to provide the items we offer as part of a Furnished Tenancy. This information will be used to ensure we select a supplier that meets your needs as our Furnished Tenancy Customers. Your requirements will form an essential part of the contract and will be used to monitor supplier performance.
