

**Your block.  
Your responsibility.**

Bulky waste blocks fire exits  
and costs lives. You are  
putting everyone at risk if  
you do not report it.

**If you leave bulky waste in a communal area  
you will be found and you will be fined.**

We have made over 600 trips to the tip, equating to 775 days  
or 13,788 dedicated working caretaker hours lost.

**Never store BBQ's close to buildings as these  
are an ignition source and can be a fire risk.**
