

Rightsizing Service

The Rightsizing service has been introduced to help customers who live in large family-sized homes to move to a more manageable and affordable home.

We know that moving home can be a huge decision and can also be costly. We can:

- ✓ Assist to find a suitable property.
- ✓ Offer you coordinated support throughout the moving process.
- ✓ Help with costs associated with moving, such as packing boxes, removals charges, new carpets, giving you more time to move etc.
